

2002-03 District Status Report

Nevada School District

Accreditation Standards

The Standards of Accreditation of Public Schools require that each school offer three programs of study in three different occupational areas. Below are the programs offered for 2003-04. If a program is offered at a vocational center, students must be enrolled in the 2003-04 school year.

Nevada High School is offering five programs of study in three occupational areas:
